# testimonials

“ I met great people, networked with a lot of great companies, and **found the job of my dreams**—all of which would have been unattainable without the opportunity to get me out there in the world.”

-Tyler

“ CM Cares was probably the best thing I could have done for my education... Best of all, it showed us why we are in this industry to begin with. It **showed us how we impact our community with our careers.**”

-Jenna

“ Clubs kept me connected with school and peers, and gave me purpose and accountability. **Clubs were one of the keys to my success during school.**”

-Glenn
